

WB Insider Rewards

Eligible DVD & Blu-ray Titles

As of June 28th, 2010

Overview:

Only select Warner Bros. DVD and Blu-ray titles released after January 1, 2009 are eligible for WB Insider Rewards Points. Each of these titles will contain a paper insert promoting either Digital Copy or the WB Insider Rewards program. A unique code will be included on the bottom of the insert (see below):

If the code is included on an insert for Digital Copy then the code will be valid for both WB Insider Rewards points and for a Digital Copy of the movie that was purchased (*Note: To retrieve your Digital Copy please follow the instructions on the insert. Digital Copies cannot be downloaded via the WB Insider Rewards website*).

Each code may only be used one-time to earn WB Insider Rewards Points. Additionally, you may only report one code per format (one for DVD and one for Blu-ray). If you report multiple codes from the same title you will only earn points for the first code.

There will be messaging on the DVD or Blu-ray packaging to indicate whether a Digital Copy or WB Insider Rewards offer is included. Please remember to look carefully as many movies have multiple editions and not all editions will contain an insert.

Please view the Site FAQ (www.WBInsiderRewards.com) and the full program Terms & Conditions (www.warnerbros.com/rewards/legal/tc.html) for additional details.
